IT'S LIVE YOUR DREAM TIME AGAIN DON'T WAIT. BELIEVE! APPLY!!

It is time again for Soroptimist London to award financial support to a woman who is committed to improving the quality of her life and that of her family.

Last year Soroptimist International London Ontario Club gave four Live Your Dream Awards to FOUR women who, having struggled earlier in life, had firmly decided to set higher goals for themselves and their families. These four women had made the changes necessary to fulfill their dreams. They were back in school and working towards improving their lives. While supporting their families and continuing their studies they reached out for help from women's organizations where financial support was provided to help them along with their dreams.

Over the years SI London has helped women to become social workers, lawyers, legal clerks, culinary specialists, marketing managers, engineers, nurses, and many more, all while they continued to support their families .

" I never imagined when I applied for these awards that I would win! Since then I have fully completed two degrees in both psychology and law and in May passed the Bar exam. That Award allowed me to pay down some debts while continuing to study.

These Women and the entire SI organization have a compassion for helping women succeed. I could not thank them enough.

I am now beginning to Live My Dream." ~ Ashley Chief

Ashley won the Soroptimist London Live Your Dream Award and went on to Win at the Regional level. Her family is thriving and she is now working at a law firm and beginning the fun of helping others.
