# IT'S TIME TO LIVE YOUR DREAM

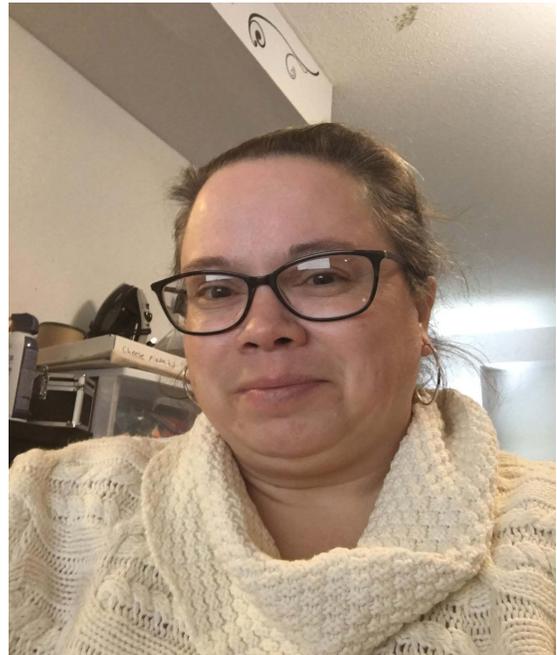

Last year's Soroptimist International London Club gave three Live Your Dream Awards to young women who had run into challenging situations in their lives but had higher goals in mind. These women made the changes necessary to fulfill their dreams. They arranged to return to their studies and work towards bettering their lives. They reached out of the known, into the unknown and with the help from women's organizations in the city, and financial support where possible, they continue to support their families and complete their studies.

Elizabeth Beaucage is one of those successful women. When she won the Live Your Dream Award of \$1,000.00, she sat down to determine what the best use of that money would be. A mom with 2 dependents at home, she is looking to help her community. Elizabeth shared the following with us:

***"The Live Your Dream Award has given me the opportunity to go back to school where I'm taking a course in Community Advocacy and applying for my certification for a peer support worker.***

***This will give me the opportunity to work in a field where I can feel fulfilled and also help out my community."***

Elizabeth says getting her certification will help her support her dependents and hopefully make some of her dreams come true!
